

More Easy, More Safe, More Efficiency

# Telescopic Belt Conveyor

## Your Reliable Partner!

Suzhou APOLLO Automation Equipment Co., Ltd is professional manufacturer who focus on automatic sorting and logistic conveying. APOLLO products will make customers' life and work more easy, more safe and more efficiency.

APOLLO main products include Automatic Sorters, Vertical Conveyors, Telescopic Conveyor, Straight/Curve/Inclined Conveyors, Accumulation/ Merging/ Diverter Conveyor and DWS series products, which these products integrate automatic weighing, barcode scanning, high speed automatic sorting and conveying, system feedback as well as software to realize smart logistic sorting and conveying. APOLLO has gained our own brand popularity in China logistic fields, meanwhile we also export to overseas markets every year.

Through the use of APOLLO products and solutions, users can greatly reduce labor intensity and improve production efficiency to reduce cost and improve the economic benefit. At present, our products are widely used in the logistics center, the industrial production workshop, storage warehouses and other industrial fields.

APOLLO has senior mechanicals, electrical and intelligent control software engineers in the field, providing the feasible solutions and related products for logistics enterprises. Our customers involve many industries, such as National electric power measurement center, China tobacco logistics center, China Postal, Sophia, Oppein, Robam, Fotile, Giti tire, Double star tire, Moutai, Huadong Medicine, 999 pharmaceutical, Lianhua supermarket, Yonghui supermarket, Nike, Samsonite, Heinz China, Feihe, Yili and so on.

APOLLO, as an equipment manufacturer, has improved the expansibility of its current general-purpose conveyor through rich experience in material handling, which combined with modern intelligent control systems to meet customers' changing requirement in the future. APOLLO's design follows the principle of simplifying the equipment operations and automating operations as much as possible in order to increase customer productivity and economic benefits.

**Please contact APOLLO to learn more about the solutions and services that APOLLO products can provide. APOLLO will be happy to share more successful experience in the composition and system technology of various conveyors to improve the operational efficiency for users.**
